TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Hampton Falls, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Hampton Falls on Tuesday, the thirteenth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to raise and appropriate the sum of \$207.53, the State contributing the sum of \$830.12, to be spent under Town Road Aid.
4. To raise and appropriate for advancement of the Town, its interests, resources and natural advantages, through the issuance and distribution of publicity material and to assist in the promotion of developments for the benefit of the Town in co-operation with the other towns in the Seacoast Regional Development Association, the sum of \$69.00.
5. To see if the Town will vote to print an inventory of Town Properties and to raise and appropriate a sum of money for same.

6. To see if the Town will vote to raise and appropriate the sum of \$500.00 to be spent on the Curtis Road, so called.

7. To see if the Town will vote to appoint a committee to investigate the possibility of improving the acoustic condition of the Town Hall and to report findings at the next annual Town Meeting.

8. To see if the Town will vote to support the United States membership in a general system of international co-operation, such as that proposed at the Dumbarton Oaks Conference, having police power to maintain the peace of the world.

9. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-fourth day of February, in the year of our Lord nineteen hundred and forty-five.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board of Hampton Falls:

I herewith submit to you my fifteenth report as Superintendent of your schools.

The Hampton Falls schools began the current year on September 11, 1944 with an enrollment of 36, a drop of 12 pupils from last year. In addition, the district is responsible for twelve pupils in junior high schools and twenty-nine in senior high schools.

Miss Ruthe Higgins, a graduate of Farmington Normal School replaces Miss Norma Nichols in the first three grades. It is an important part of her work to be sure that a normal and healthy attitude toward other children and their school life becomes an integral part of each child's personality. Hers is the task of teaching the mechanics of reading and the fundamental operations of arithmetic to our pupils. It is a full three-year program requiring much work on the part of both pupil and teacher. I am confident Miss Higgins is doing this.

Miss Jean Berry has returned as teacher of the middle grades. The excellent results accomplished last year by Miss Berry are shown by the pupils in the seventh grades of the junior high. As in previous years, approved and standardized tests will be given the pupils. The results of the tests which are available to higher schools, help shorten the period of adjustment to new surroundings and bring about a more even progress as pupils enter the high schools.

Reports of the marks earned by the pupils in the junior high school are very satisfactory. Of the twelve pupils in the junior high school, four are on the honor roll for the last

marking period. Reports of the marks earned at the Hampton High School show an average of 82 per cent. Of the 98 ranks included in these reports, but two are unsatisfactory. There are eight on the honor roll.

Mrs. Southwick, as Supervisor of Music, introduced some instrumental work into our school. A group of eight pupils organized an orchestra group for special work. These pupils practiced the same tunes as a similar group from the North Hampton schools. On several occasions, the two organizations united to form a good sized orchestra. This seemed to be a worthwhile activity. The results are noticed in the schools to which our pupils have gone.

The harvest supper found our children actively taking part. All of the lower grades room sang several songs while a double quartet represented the upper room.

The report of Mrs. Lindsey, our school nurse¹, is included herewith. Her work for our children is especially important during a time when many doctors and nurses are in the armed forces. The annual examination of an approved physician together with the frequent visits of the nurse is a valued public service to the schools.

Hampton Falls can well be proud of the activities of the school in the war effort. During the past school year, the purchases of war bonds and stamps totalled \$1,076.35 in stamps and 37 bonds, an amount which won for the school a war bond in the "Schools At War Program". Thirty-one bags of milk weed pods were collected in the national drive for material for life jackets. The money received for the pods has been used for the purchase of a duplicating machine.

It is our purpose to make Hampton Falls school the equal of any similar school in the state. To do this, we must have approved teachers, adequate supplies, a healthy and pleasant

building in which our pupils can work and the cooperation of parents and teachers for the good of the school. I believe we have these in Hampton Falls.

I wish once more to thank the school board for valued help in administering the schools of the district.

Respectfully submitted,

ROY W. GILLMORE,
Superintendent of Schools

January 25, 1945.

ANOTHER ENEMY TO CONQUER

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules:

1. Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.
2. Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.
3. Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.
4. Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.
5. Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.
